We want the wines of the regions from which we took inspiration for the food at Mimosa to be well represented on our wine list. Local wines invariably make the best matches with their region's dishes and throughout our corner of the Mediterranean the two would nearly always be consumed together. We encourage you to do as the locals do and give it a try.

We also recognise that everyone's taste is different and we want you to enjoy your wine, so if New Zealand Sav Blanc is your one and only, or Aussie Shiraz is what floats your boat... don't worry, we've got you covered too with our selection of classic wine styles from around the world.

To double up on your Mediterranean experience, choose one of the wines with the little  next to it
